Classificazione	POL000000POL010000POL042000
Disciplina	303.4
Soggetti	Nonfiction History Politics
Lingua di pubblicazione	Inglese
Formato	Audiolibro
Livello bibliografico	Monografia
Note generali	Unabridged.
Sommario/riassunto	With <i>Hope in the Dark</i> , Rebecca Solnit makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argued that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Originally published in 2004, now with a new foreword and afterward, Solnit's influential book shines a light into the darkness of our time in an unforgettable new edition.
