| Sommario/riassunto      | Katherine: I thought I could enjoy a night out like a normal person. I thought I could handle the flashing lights, the pulsing music, the crowded dance floor. I couldn't have been more wrong. After having an anxiety attack and passing out during my sister's engagement party at Panic, I wake up in the arms of the hottest guy I've ever seen. Nick |

Moreno's no gentleman. But he might just be the man I need to help me take control of my life. Nick: When I hear there's some random girl passed out in the back room of my family's South Beach nightclub, I'm pissed. My dad's already behind bars and we can't afford any more bad press. But after giving her a lift-literally-back to her apartment, I stop seeing Katherine Wilson as some random girl. She's gorgeous, vulnerable, and braver than she knows. And when we kiss, all I want to do is pull her close and promise that she'll always be safe in my arms.
