Livello bibliografico	Monografia
Sommario/riassunto	<p>MaryAnn DiMarco has been communicating with the Other Side since she was five years old. As a psychic medium, intuitive counselor, and spiritual teacher, clients from all over the world have sought her out for both personal guidance and as a means to connect with their departed loved ones' souls. Even so, DiMarco's greatest gift is her ability to teach others how to connect to the universe themselves-and in a way that sets meaningful change in motion. Now, in her extraordinary first book, DiMarco shares her teachings for developing intuition that will enable you to control your life using three powerful steps:Believe is about recognizing and demonstrating a belief in a higher power, whether you refer to this powerful energy as God, Divine, Source, or another name. Ask teaches you how to pose the right questions to a personal team of angels, spirit guides, departed loved ones, and evolved souls who help you navigate life's ups and downs. Their job is to love, lead, and protect you as you dream, plan, and move along your soul's best path.Act is a powerful call to get off the meditation cushion and put one earthly foot in front of the other to create momentum and positive change.</p>
