The two formed a tight friendship that lasted for years until she moved away. Now, years later, Max enjoys a successful career and loves his life: carefree and fun. He has everything he wants and does not intend to settle down anytime soon (even though his family might have other ideas). But when a chance encounter brings him face-to-face with Emilia, he starts questioning everything. Emilia Campbell has a lot on her plate, taking care of her sick grandmother. After practically being left at the altar, Emilia has sworn off men . . . until the childhood friend she hero-worshiped and hasn't quite forgotten steps into her clinic. Max is every bit the troublemaker she remembers, only now he has a body to drool over. They are both determined not to cross the boundaries of friendship. But as their chemistry spirals out of control,

> can Emilia trust her childhood hero with the key to her heart and accept she might have found her one true love? Contains mature themes.
