| Sommario/riassunto | <p>Rosamund Carrow has spent years learning the law by assisting her barrister father, despite the frustrating truth that the profession is closed to women. When he dies unexpectedly, necessity compels her to disguise herself as a man so she can step into the courtroom to finish his cases. She's willing to put her reputation at risk, but she never expects that the greatest peril will be to her heart . . . Lord Lawrence Byron is a rising star in London's legal circles, despite his reputation as an unrepentant rakehell. When an upstart young barrister defeats him in court, he's determined to discover everything he can about his rival. He's stunned when he uncovers the shocking secret that his new opponent is actually a beguiling, brilliant woman-one he can't help but want in his bed. Passion draws them together as they break all the rules, but it may lead to something more lasting-like love . . .Contains mature themes.</p> |
