Sommario/riassunto	For reporter Hope Sinclair, writing about the recovery of a sunken Spanish treasure off Pleasure Island should be her big break. Yet Hope can't help feeling she's been hand-picked for this job for all the wrong reasons. Someone wants Hope out of New York-and off a story that could blow a corruption case wide open. But if they think sending her to paradise will shut her up, they've got another thing coming . . . Treasure hunter and former Navy SEAL Conner Reese isn't happy to have Hope along for the ride. He doesn't need the publicity, nor does he want a gorgeous redhead driving his crew-and himself-to distraction. But there's something else. Conner can sense extreme danger, and danger is following Hope Sinclair very, very closely . . .
