

1. Record Nr.	UNINA9910164277603321
Titolo	Tissue engineered medical products (TEMPs)
Pubbl/distr/stampa	[Place of publication not identified], : American Society for Testing and Materials, 2004
ISBN	0-8031-5497-6
Disciplina	610/.28
Soggetti	Biomedical and Dental Materials Culture Techniques Manufactured Materials Clinical Laboratory Techniques Specialty Uses of Chemicals Drug Therapy Technology, Industry, and Agriculture Investigative Techniques Chemical Actions and Uses Diagnostic Techniques and Procedures Biocompatible Materials Tissue Engineering
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
