|-------------------------|---|
| 1. Record Nr.           | UNINA9910164287103321   |
| Titolo                  | Cobalt-base alloys for biomedical applications  |
| Pubbl/distr/stampa      | [Place of publication not identified], : ASTM, 1999   |
| ISBN                    | 0-8031-5409-7   |
| Collana                 | STP Cobalt-base alloys for biomedical applications  |
| Disciplina              | 610/.28   |
| Soggetti                | Cobalt alloys<br>Metals in medicine<br>Alloys<br>Chromium Compounds<br>Chemistry<br>Investigative Techniques<br>Dental Alloys<br>Natural Science Disciplines<br>Metals<br>Dental Materials<br>Biomedical and Dental Materials<br>Inorganic Chemicals<br>Occupations<br>Manufactured Materials<br>Technology, Industry, and Agriculture<br>Chromium Alloys<br>Chemistry, Physical<br>Equipment Design<br>Materials Testing<br>Health & Biological Sciences<br>Biomedical Engineering |
| Lingua di pubblicazione | Inglese   |
| Formato                 | Materiale a stampa  |
| Livello bibliografico   | Monografia  |
| Note generali           | Bibliographic Level Mode of Issuance: Monograph   |
