Livello bibliografico	Monografia
Sommario/riassunto	<p>Who you are on the inside is more important than what you are on the outside... But not when you're fated to be a lab rat for the rest of your life. Sixteen-year-old Tessa, a vampire with weird throwback human genes, is an outsider in both worlds. Always the odd one. Now, imprisoned in a blood farm, she fights to free herself and rejoin her family and friends. Especially one young male vamp. Cody, eighteen and the youngest of the long line of ancient flyer vampires, wants Tessa back at his side where she belongs ? even as he struggles with conflicting emotions about his best friend's kid sister-turned-hottie. Jared, the cute human who'd befriended Tessa, is relieved to be rescued and wants to see the trussed-up, drugged humans in the warehouse taken care of. Only he's freaked that the people who rescued him are vampires...and then he finds out the truth about Tessa... Thankfully, the rescue team comes to take over the warehouse and rescue the victims... or have they?</p>
