Note generali	Previously issued in print: 2017.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	This collection contains eleven new papers on pornography from an analytic feminist perspective. Despite a rich literature on pornography, deep disagreements about central questions tend still to define the corpus. This collection aims to clarify key feminist philosophical commitments pertaining to pornography, and to surpass prevalent analyses by highlighting novel topics in feminist pornography-debates.
