| Formato | Materiale a stampa |
| Livello bibliografico | Monografia |
| Note generali | This edition previously issued in print: 2016. |
| Nota di bibliografia | Includes bibliographical references and index. |
| Sommario/riassunto | In this second edition Anthony Kenny offers a critical survey of developments in the field since the text was first published. He also addresses the criticisms of his first edition, both accepting those he sees as justified and addressing and refuting those which he feels are unfounded. The work remains essential reading for anyone interested in Aristotle's ethical works, arguably the most influential ever written. |
