Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previously issued in print: 2017.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Rather than a single quantitative or qualitative method, community-based participatory research (CBPR) is a diverse set of research approaches united by their common aim of social justice. This handbook codifies these methodologies and articulates an expansive vision of health that includes gender equality, safe and adequate housing, and freedom from violence.
