Sommario/riassunto	When he isn't responsible for pleasing 73 million online readers a month, Elite Daily managing editor Greg Dybec worries about rent, sex, love, family, and the most millennial topic of them all: the desire to leave a legacy. In <i>The Art of Living Other People's Lives</i> , Greg delivers a funny, brash, and insightful collection of twenty never-before-published stories on becoming a pick-up artist to get over an ex-girlfriend, late-night adventures with his Uber driver, having a Twitter-induced panic attack, picking up a gig writing about men's underwear, and more.
