Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by David Horowitz in his book "Unholy Alliance: Radical Islam and the American Left". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case David Horowitz's book. Horowitz argues that the radical left has taken over the Democratic Party thanks to its alliance with radical Islam against the war on terror. And he also awakens the readers that the origins of the radical left are found in Communism.
