| Sommario/riassunto | This ebook consists of a summary of the ideas, viewpoints and facts presented by John E. O'Neil and Jerome R. Corsi in their book "Unfit for Command: Swift Boat Veterans Speak Out Against John Kerry". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case John E. O'Neil's and Jerome R. Corsi's book. O'Neil and Corsi present reasons why John Kerry is unfit to Command America and thus |

why he should not be elected President.
