Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Donald Trump in his book "Time to Get Tough, Making America #1 Again". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Donald Trump's book. Trump puts forward that the Republicans have turned America into an unprecedented mess. He argues that America needs a President that will act to make the U.S. #1 again.
