Sommario/riassunto	Don't panic! Everything you need to know about cult author Douglas Adams and his most famous creation, The Hitchhiker's Guide to the Galaxy, is in here. From its unlikely start as a BBC radio serial in 1978, Hitchhiker's Guide developed into five bestselling novels, a BAFTA-winning television series, spoken word LPs that made the pop charts, dozens of extraordinary stage productions around the world, a computer game which topped the charts for a whole year - and now a Hollywood feature film. The Pocket Essential Hitchhiker's Guide is the only book in the galaxy to document and explain all

This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Greg Mortenson's and Davis Oliver Relin's book. Sommario/riassunto	<p>En 1425, dos mercaderes de Barcelona, Joan de Torralba y For-tuny de Manariello, y uno zaragozano, Juan Feixas, deciden constituir una compania (posteriormente renovada y reestructurada) con el objetivo de comerciar en Aragon, Cataluna e Italia. De esta sociedad ha pervivido, excepcionalmente y en perfecto estado de conservacion, una parte de sus registros contables, once libros correspondientes a la gestion de Joan de Torralba, los cuales representan, sin embargo, una parte infima de los que debieron de generar los movimientos economicos de las dos sedes principales (Barcelona y Zaragoza), la delegacion de Tortosa y las plazas de Genova, Pisa y Venecia. De Aragon a Venecia estudia la actividad de la compania entre 1433 y 1434 en el contexto socioeconomico de la epoca, e incluye la transcripcion de uno de sus registros, el «Llibre major de comerc de llana blanca amb Italia». Redactado por el corresponsal de Joan de Torralba en Venecia, Francesc Aluart, este libro contabiliza las operaciones derivadas de la arribada y venta de diversas partidas de lana, ofreciendo un retrato vivido de las redes de intercambio entretnejidas por la compania en los mercados italianos.</p>
