Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Cass R. Sunstein in his book "Radicals in Robes, Why Extreme Right-wing Courts are Wrong for America". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Cass R. Sunstein's book. Sunstein defines the predominant theories of constitutional interpretation, he also analyses the current state of the Supreme Court on various matters and offers views on the implication of these movements if changes were to occur.
