Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Brian Doherty in his book "Radicals for Capitalism, A Freewheeling History of the Modern American Libertarian Movement". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Brian Doherty's book. Doherty traces the evolution of the libertarianism movement through unconventional stories of the most influential American leaders, therefore he provides a new perspective on American history.
