Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Jack Cafferty in his book "Now or Never: Getting Down to the Business of Saving American Dream". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Jack Cafferty's book. Cafferty highlights the hot-button issues that top the current US agenda, and he also gives voice to all the fears and hopes of Americans.
