Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Michael A. Smerconish in his book "Muzzled: From T-ball to Terrorism- True Stories that Should be Fiction". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Michael A. Smerconish's book. Smerconish analyzes how political correctness and multiculturalism have invaded our lives and reached an absurd level which is becoming a serious threat to our cultural identity and national security.
