Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Joyce Purnick in her book "Mike Bloomberg: Money, Power, politics". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Joyce Purnick's book. Purnick analyzes the motivation behind America's richest and most generous philanthropist, Mike Bloomberg. And also offers a behind the scenes look of his life story.
