Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Ron Paul in his book "Liberty Defined, 50 Essential Issues that Affect our Freedom". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Ron Paul's book. Paul argues that the liberty mentioned in the Declaration of Independence is not truly respected by any party hence that there is a need to embrace an agenda that does free the American citizens.
