Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by The Staff of the Washington Post in his book "Landmark: The Inside Story of America's New Health Care Law and What It Means for Us All". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case The Staff of the Washington Post book.The Staff of the Washington Post reveals how the new law relating to the health care system will have an impact on the entire society and also the obstacles that were encountered before the adoption o
