Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Tom Tancredo in his book "In Mortal Danger: The Battle for America's Border and Security". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Tom Tancredo's book. Tancredo explains that the American immigration system is broke and corrupt and he argues that despite the 9/11 attacks American borders are still a grave security risk.
