Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Patrick Hynes in his book "In Defense of the Religious Right: Why Conservative Christians are the Lifeblood of the Republican Party and Why That Terrifies the Democrats". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Patrick Hynes' book. Hynes examines the myths about the Religious Right and reveals the truth about their goals and their positioning in politics.
