Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Mark Crispin Miller in his book "Fooled Again, How the Right Stole the 2004 Election & Why They'll Steal the Next One Too (Unless we Stop Them)". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Mark Crispin Miller's book. Miller argues that the electoral fraud is the new strategy of the Republicans.
