Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by William F. Buckley, Jr. in his book "Flying High: Remembering Barry Goldwater". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case William F. Buckley's, Jr. book. Buckley recalls the success and the mistakes made during the Goldwater quest for the White House.
