Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Marc Freeman in his book "Encore: Finding work that Matters in the Second Half of Life". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Marc Freeman's book. Freeman explains the boomer seniors' trend to create their second wind career and examines the impact it has on American society.
