| Sommario/riassunto | This ebook consists of a summary of the ideas, viewpoints and facts presented by Robert A. Pape in his book "Dying to Win: The Strategic Logic of Suicide Terrorist". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Robert A. Pape's book. Pape questions the belief that "holly wards" are the main cause of problems between Arab countries and the United States. |
