Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Richard Miniter in his book "Disinformation: 22 Media Myths that Undermine the War on Terror". This summary offers a

concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Richard Miniter's book.
Miniter examines the myths about the war on terror, he argues that it is important to understand the truth behind these myths because it is necessary to erase them from the mentalities of the society.
