Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Robert Draper in his book "Dead Certain: The Presidency of George W. Bush". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Robert Draper's book. Draper gives an insight of Bush administration and he focuses mainly on the impacts the President's personality had on the outcome of events.
