Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by The Center for Strategic and International Studies and the Institute for International Economics in his book "China: the Balance Sheet, What the World Needs to Know Now about the Emerging Superpower". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case the book by the Center for Strategic and International Studies and the Institute for International Economics. This book examines the facts and dynamics at the basis of China's
