KENNEDY; THE MUSHROOM CLOUD: GEORGE W. BUSH; Buy the Book; About the Summary Publisher; Copyright
Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Chris Wallace in his book "Character, Profiles In Presidential Courage". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Chris Wallace's book. Wallace showcases stories of presidential decisions and he also shows the values of the presidents by giving details of their prior life.
