Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Seymour M. Hersh in his book "Chain of Command: The Road from 9/11 to Abu Ghraib". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Seymour M. Hersh's book.  Hersh offers a report of the Abu Ghraib prison scandal and he also examines the insides of Bush's war on terror.
