Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Maureen Dowd in her book "Bushworld: Enter At Your Own Risk". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Maureen Dowd book. Dowd argues that Bush Administration has ignored experience and common sense and that this has led the country into a decadent era.
