ISBN	9783319490700 3319490702
Edizione	[1st ed. 2017.]
Descrizione fisica	1 online resource (XV, 135 p.)
Disciplina	174.4
Soggetti	Business ethics Industrial sociology Labor economics Business Ethics Sociology of Work Labor Economics
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	1.What is Animal Husbandry? -- 2. The promises of work -- 3. Industrial livestock farms/animal production -- 4. Animal death -- 5. Living without life -- 6. Living with animals, a utopia for the 21st century.
Sommario/riassunto	This work argues for a moral consideration of animal work relations. Paying special attention to the livestock industry, the author challenges the zootechnical denigration of animals for increased productivity awhile championing the collaborative nature of work. For Porcher, work is not merely a means to production but a means of living together unity. This unique reconsideration of work envisions animals as co-laborers with humans, rather than overwrought tools for exploitative, and often lethal, employment. Readers will learn about the disjunction between those focused on productivity and profit and those who favor a more ethical work environment for animals. Porcher's text also engages environmental and political debates concerning animal-human relations.
