Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Barack Obama in his book "Dreams form my Father, A Story of Race and Inheritance". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Barack Obama's book. Obama writes a memoir that explains his experiences and perspective and allows the reader to relate Obama's personal experience to the American experience.
