Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Zbigniew Brzezinski, Brent Scowcroft and David Ignatius in their book "America and the World: Conversations on the Future of American Foreign Policy". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Zbigniew Brzezinski's, Brent Scowcroft's and David Ignatius' book. Brzezinski, Scowcroft and Ignatius put forward the most significant foreign policy challenges faced by the United States.
