Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Stephen G. Breyer in his book "Active Liberty: Interpreting Our Democratic Constitution". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Stephen G. Breyer's book. Breyer argues that the American Constitution shall be used as a guide for the application of American principles. He highlights the fact that the Constitution must not be rigid but adapt to the needs of society.
