Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Arnold S. Relman in his book "A Second Opinion: Rescuing America's Health Care". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Arnold S. Relman's book. Relman explains why he believes the U.S. health system is failing.
