Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Evan Thomas and the Staff of Newsweek in his book "A Long Time Coming: The Inspiring, Combative 2008 Campaign and the Historic Election of Barack Obama". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Evan Thomas' and the Staff of Newsweek's book. Thomas offers a behind-the-scenes recount of the 2008 presidential campaign. He explains the rise of Obama and gives inside stories about the other presidential candidates.
