Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by James Carville in his book "40 More Years: How Democrats Will Rule the Next Generation". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case James Carville's book. Carville argues that the Democratic ideas and policies will dominate American politics for the next 40 years.
