Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Arthur C. Brooks in his book "Who Really Cares, The Surprising Truth About Compassionate Conservatism". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Arthur C. Brooks' book. Brooks points out that conservatives are the most companionate, and he argues that charity is important for the nation as a whole.
