Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Alan B. Krueger in his book "What Makes a Terrorist: Economics and the Roots of Terrorism". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Alan B. Krueger's book.  Alan B. Krueger explains that contrary to the common belief most terrorists come from middle class and are often college-educated.
