Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Lou Dobbs in his book "War on the Middle Class, How the Government, Big Business, and Special Interest Groups are Waging War on the American Dream and How to Fight Back". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Lou Dobbs' book. Dobbs argues that the working class has been abandoned by the administration, which favors big business. Therefore he believes it is time for reforms on trade policy, business, immigration
