| Sommario/riassunto | A selection of Santayana's notes in the margins of other authors' works that sheds light on his thought, art, and life. In his essay "Imagination," George Santayana writes, "There are books in which the footnotes, or the comments scrawled by some reader's hand in the margins, may be more interesting than the text." Santayana himself was an inveterate maker of notes in the margins of his books, writing (although neatly, never scrawling) comments that illuminate, contest, or interestingly expand the author's thought. These volumes offer a selection of Santayana's marginalia, transcribed from books in his personal library. These notes give the reader an unusual perspective on Santayana's life and work. He is by turns critical (often), approving (seldom), literary slangy, frivolous, and even spiteful. The notes show his humor, his occasional outcry at a writer's folly, his concern for the niceties of English prose and the placing of Greek accent marks. These two |

volumes list alphabetically by author all the books extant that belonged to Santayana, reproducing a selection of his annotations intended to be of use to the reader or student of Santayana's thought, his art, and his life. Santayana, often living in solitude, spent a great deal of his time talking to, and talking back to, a wonderful miscellany of writers, from Spinoza to Kant to J.S. Mill to Bertrand Russell. These notes document those conversations.

Reich); Connecting the Dots; The Rigged Game; The Rise of the Regressive Right; What You Need to Do; Buy the Book; About the Summary Publisher; Copyright |
| Sommario/riassunto | This ebook consists of a summary of the ideas, viewpoints and facts presented by Robert B. Reich in his book "Beyond Outrage, What Has Gone Wrong With Our Economy and Our Democracy, and How to Fix It". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Robert B. Reich's book. Reich argues that for good things to |

happen, smart and organized people need to be in and outside
Washington to do the right things after the elections.
