Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Robert B. Reich in his book "Beyond Outrage, What Has Gone Wrong With Our Economy and Our Democracy, and How to Fix It". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Robert B. Reich's book. Reich argues that for good things to happen, smart and organized people need to be in and outside Washington to do the right things after the elections.
