Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Mark R. Levin in his book "Ameritopia, The Unmaking of America". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Mark R. Levin's book. Levin attempts to describe an ideal, an utopist American society. And he argues that when the government enacts laws to create distribute wealth in a fairer way, it is in reality getting closer to tyranny.
