Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Charles R. Morris in his book "The Trillion Dollar Meltdown: Easy Money, High Rollers, and the Great Credit Crash". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Charles R. Morris' book. Morris argues that today we are living in the most reckless financial environment, he explains how this point was reached and the ways to prevent further damages.
